

## Dimension Cool Aesthetics Reward Program

We want to thank-you for your loyalty, so we have created a points-based program to show our appreciation for your business.

Reward points translate into dollars that can be redeemed for services and products!

How it works:

- Each dollar spent on services and products = 1 point
- Receive 100 points for signing up
- Points accumulated equate to 3% return. Example:
  - 200 points = \$6
- Redeemed points are issued via a gift card that can be used toward your next purchase or service.
- Accrued points can be redeemed for credit once you reach 200 points
- Refer a new client and receive 300 points.
- There will be certain promotions and events where reward points can be received at a higher value! These opportunities will be found on our Facebook page and Instagram, so make sure to “Like” our page, so you’ll get the latest updates.

Limitations:

- Points are non-transferrable and points from multiple accounts cannot be combined.
- Points have no cash value and may not be redeemed for cash.
- Points do not accumulate for tips on services.
- Referral must mention your name at the time of purchase.
- DCA reserves the right to modify or terminate the program and/or these Terms and Conditions at any time at its discretion and without obligation. DCA will post a notice on DCAesthetics.com should it modify or terminate the program.
